

THE DOMINICAN REPUBLIC ANNOUNCES OFFER TO PURCHASE EXISTING BONDS

SANTO DOMINGO, Dominican Republic, June 17, 2024

The Dominican Republic (the “Republic”) announced today the commencement of an offer to purchase for cash (the “Offer”) from each registered holder or beneficial owner (each, a “Holder” and, collectively, the “Holders”) outstanding bonds of the series set forth in the table below (the “Existing Bonds”), upon the terms and subject to the conditions set forth in the offer document dated June 17, 2024 (the “Offer Document”).

The Republic will determine in its sole discretion the maximum amount to be paid by the Republic for the outstanding principal amount of Existing Bonds validly tendered and accepted for purchase by the Republic pursuant to the Offer, not including interest accrued and unpaid thereon (the “Maximum Purchase Price”).

The Offer is not conditioned upon any minimum participation of the Existing Bonds, but it is conditioned, among other things, on the concurrent (or earlier) closing of the issuance by the Republic of one or more series of DOP-denominated and/or U.S. dollar-denominated, New York law-governed debt securities (the “New Notes”) in an aggregate principal amount, with pricing and on terms and conditions acceptable to the Republic in its sole discretion (the “New Notes Offering”). The New Notes Offering will be made solely by means of one or more offering memoranda relating to that offering of the New Notes, and neither this announcement nor the Offer Document constitutes an offer to sell or the solicitation of an offer to buy the New Notes.

The Republic reserves the right, in its sole discretion, not to accept any valid orders to tender Existing Bonds in accordance with the terms and conditions of the Offer (“Tenders”), to modify the fixed price per outstanding US\$ 1,000 principal amount indicated in the rightmost column in the table below (the “Purchase Price”) for the Existing Bonds, or to terminate the Offer for any reason. In the event of a termination of the Offer, the tendered Existing Bonds will be returned to the tendering Holder.

The total purchase price for the principal amount of the Existing Bonds validly tendered by a Holder and accepted by the Republic (the “Total Purchase Price”) will be an amount in cash equal to the outstanding principal amount of such Existing Bonds, multiplied by the Purchase Price, plus accrued and unpaid interest on such Existing Bonds up to, but excluding the Settlement Date (“Accrued Interest”). If the Total Purchase Price minus Accrued Interest for all validly tendered Existing Bonds (the “Tendered Aggregate Purchase Price”) would exceed the Maximum Purchase Price, then the Republic will, in its sole discretion, apply a proration factor to the Tenders.

<u>Title of Existing Bonds</u>	<u>Outstanding Principal Amount as of the Date Hereof</u>	<u>CUSIP Numbers / ISINs</u>	<u>Purchase Price (per Outstanding US\$1,000 Principal Amount)⁽¹⁾</u>
5.500% Bonds due 2025	US\$1,272,202,000	P3579E BD8 / USP3579EBD87 (Reg S) 25714PCV8 / US25714PCV85 / (144A)	US\$1,000

(1) In addition to the Purchase Price, Accrued Interest will be payable on the Existing Bonds validly tendered and accepted in the Offer.

Holders tendering Existing Bonds may obtain a priority allocation code (the “Priority Allocation Code”) by contacting either of the Dealer Managers, and should include their Priority Allocation Code in their ATOP or Electronic Acceptance Instruction (in each case, as defined in the Offer Document). Tendering Holders who wish to subscribe for New Notes should include their Priority Allocation Code when subscribing for New Notes. The Republic will review Tenders received on or prior to the Expiration Time and may give priority to those investors tendering with a Priority Allocation Code in connection with the allocation of New Notes. However, no assurances can be given that any Holder that tenders Existing Bonds will be given an allocation of New Notes at the levels it may subscribe for, or at all.

If the Republic accepts all or a portion of a Holder’s Tender, the Holder will be entitled to receive for such Existing Bonds the applicable Total Purchase Price, which will be paid on the Settlement Date, if the conditions of the Offer are met.

The Offer commenced on Monday, June 17, 2024 and will expire at 8:00 a.m. (New York City time) Tuesday, June 25, 2024 (the “Expiration Time”) unless extended or earlier terminated by the Republic in its sole discretion. Existing Bonds may be validly withdrawn at any time at or prior to the Expiration Time. The settlement of validly tendered and accepted Existing

Bonds is expected to occur on Monday, July 1, 2024, or as soon as practicable thereafter, subject to change without notice (the “Settlement Date”).

At or about 9:00 a.m. (New York City time) on Tuesday, June 25, 2024, subject to change without notice, the Republic expects to announce the aggregate principal amount of Tenders of the Existing Bonds that have been received on or prior to the Expiration Time.

In addition, at or about 5:00 p.m. (New York City time) on Tuesday, June 25, 2024, subject to change without notice, the Republic expects to announce (i) the Maximum Purchase Price; (ii) the Tendered Aggregate Purchase Price; (iii) the aggregate principal amount of Tenders of the Existing Bonds that have been accepted; and (iv) any proration of Tenders of the Existing Bonds.

Existing Bonds may be tendered only in the principal amount equal to the minimum authorized denomination of US\$100,000 and in integral multiples of US\$1,000 in excess thereof (the “Minimum Denomination”). Holders who tender less than all of their Existing Bonds must continue to hold Existing Bonds in at least the Minimum Denomination of US\$100,000 principal amount.

Holders of Existing Bonds must tender Existing Bonds by requesting that the direct participant through which the Holder holds its Existing Bonds submit, at or prior to the Expiration Time, such Holder’s Tender by properly instructing The Depository Trust Company (“DTC”), Euroclear Bank SA/NV, as operator of the Euroclear System (“Euroclear”), or Clearstream Banking, S.A. (“Clearstream”), as applicable, in accordance with the procedures and deadlines established by each such clearing system. Any Holder that holds Existing Bonds through a custodian cannot submit a Tender directly and should instead contact its custodian to instruct the direct participant to submit a Tender on its behalf. **There is no letter of transmittal or guaranteed delivery procedures for the Offer.** The acceptance of any Tenders forwarded to DTC from Euroclear or Clearstream after the Expiration Time will be in the sole discretion of the Republic.

You are advised to consult with the broker, dealer, bank, custodian, trust company, or other nominee through which you hold your Existing Bonds as to the deadlines by which such intermediary would require receipt of instruction from you to participate in the Offer in accordance with the terms and conditions of the Offer as described in the Offer Document in order to meet the deadlines set forth in the Offer Document. The deadlines set by DTC, Euroclear, Clearstream, or any such intermediary for the submission of Existing Bonds may be earlier than the relevant deadlines specified in the Offer Document.
